Academic qualifications of nominee (Maximum 800 characters)
Academic Degree (Institution, Date)

Supporting statement for Nominee
Citing reasons for your choice (e.g. describe the researcher's career path that led to this nomination **- max 1000 words)**

List up to 5 Scientific Contributions to Science of the Nominee
For each, <u>select up to 3 works</u> associated with the Scientific Contributions.

The works can be any academic publication (e.g. articles in journals or congress, book chapters, amongst others), patents, licenses for companies, products, congresses, datasets or software used in research and education, or other types of digital objects (videos, recordings, etc.) and graduates trained at the undergraduate and postgraduate levels. This list of work is not exhaustive and only an illustration.

Specify the work/publication (e.g., bibliographic reference, or brief description and, when available, internet link), clarifying if necessary, its connection to the contribution (e.g., indicating citations, downloads, uses in research or scientific innovation).

Contribution 1 (Maximum 250 characters)
Work/Production 1.1 (Maximum 220 characters)
Work/Production 1.2 (Maximum 220 characters)
Work/Production 1.3 (Maximum 220 characters)

Contribution 2 (Maximum 250 characters)
Work/Production 1.1 (Maximum 220 characters)
Work/Production 1.2 (Maximum 220 characters)
Work/Production 1.3 (Maximum 220 characters)

Contribution 3 (Maximum 220 characters)
Work/Production 1.1 (Maximum 220 characters)
Work/Production 1.2 (Maximum 220 characters)
Work/Production 1.3 (Maximum 220 characters)

Contribution 4 (Maximum 250 characters)
Work/Production 1.1 (Maximum 220 characters)
Work/Production 1.2 (Maximum 220 characters)
Work/Production 1.3 (Maximum 220 characters)

Contribution 5 (Maximum 250 characters)
Work/Production 1.1 (Maximum 220 characters)

Work/Production 1.2 (Maximum 220 characters)
Work/Production 1.3 (Maximum 220 characters)

Academic Advisory (Maximum 800 characters)
Only for Leader Category Award
i.   Number of students under supervision.
ii. List up to 3 former academic advisers and their respective performances in the indication for the

Awards and Academic distinctions received by the candidate (Maximum 800 characters).
List up to 3 important awards or honors.

International Acknowledgement (Maximum 800 characters)

Services provided to the scientific community (Maximum 800 characters)

Other information you believe is relevant (Maximum 800 characters)
